Library System

Established by agreement between two or more municipalities and/or school authorities as provided for under Section 19 of the Libraries Act, statutes of Alberta 1983, Ch.L-12.1. A system is supported by local taxes and is governed by a board consisting of one member appointed by each participant, two members appointed by the Lieutenant-Governor in Council and additional members appointed in accordance with the Libraries Regulation. There are five library systems.

Municipal Library

Established by passage of a by-law under Section 9 of the Libraries Act, statutes of Alberta 1983, Ch.L-12.1. A municipal library is supported by municipal taxes and is governed by a board of not less than five and not more than ten members, all appointed by the council of the municipality. Not more than two members of council may be members of the Board. There are 263 municipal library boards, including those receiving service from library systems.

Community Library

Established, governed, and supported by an association of persons, whether incorporated or not, and authorized by the Minister, under Section 31 of the Libraries Act, statutes of Alberta 1983, Ch.L-12.1, to provide library services to the public in a given area. It is governed by a board which is a corporation. There are 18 community library boards.

School-housed public libraries are indicated by an asterisk (*).

Notes

General

1. Total provincial support as a category includes grants to resource libraries for provision of services to libraries in the province.
2. Where "n.d." appears no data were available.
3. "n.a." means that the information is not applicable.
4. Where the following letters appear, these explanations apply.
 - (a) Monies from other government sources, excluding basic per capita operating grant (Provincial Grant).
 - (b) Interest and principal payments on debentures.
 - (c) Excludes fiscal payments.
 - (d) Total operating expenditures, fiscal payments and capital expenditures.
 - (e) Population includes Saskatchewan part of City of Lloydminster.
 - (f) Rural library boards with no library service points.
5. * Indicates a school-housed public library. Data may reflect non-public library statistics.

Library Systems

1. Bookstock, Acquisitions, and Withdrawals may include books owned and provided by the system. Measurements derived from these data may not be comparable with those from other libraries.
2. Materials expenditures for member libraries include only money paid by the Municipal Board, not expenditures by the system on behalf of the board.
3. Municipal boards in the Marigold, Peace and Shontgrass Library Systems provide part of the funding for the system; boards in Parkland and Yellowhead do not.
4. Totals for Marigold, Parkland, Peace, Shontgrass, and Yellowhead Regional Library Systems are composites for total system — both headquarters and all service points.

Output Measures 1989

Additional data were gathered from libraries in 1989 and used to provide 24 output measures. These begin on page 21. For libraries with graduate librarians, information was also gathered on seven additional measurements:*

In library use per capita
Library visits per capita
Program attendance
No. of reference transactions
Reference fill rate
Materials availability
Document delivery

*These statistics are available on request and can be published if demand warrants it.

The Output Measures are produced using the publication **Output Measures for Public Libraries 2nd edition** by Nancy A. Van House et al. Chicago: American Library Association, 1987.

Definitions

Acquisitions and Withdrawals

All books, including paperbacks, reported as acquired or withdrawn during the year.

Acquisitions/Withdrawals as Percentage Holdings

Total volumes expressed as percentage of bookstock at year end.

All Materials

Includes audio visual materials, toys, games and micromaterials except for library catalogues.

Appropriation

Tax appropriation by municipality which appoints the library board.

Area

Multiply by 10.76 to obtain square footage.

Averages

Average of all reporting libraries.

Bookstock

Includes paperbacks whether catalogued or not.

Circulation per Hour

Total circulation divided by sum of the weekly hours divided by 50 (weeks).

FTE

Full-time equivalent in staff hours, based on a 36-hour work week.

Hours Open

Number of hours per week including all branch hours where applicable.

Operating Expenditure

Excludes debarment payments.

Totals

(Data) — Total of all reporting libraries.

(Per Capita) — Total of all reporting libraries expressed as based on total population served.

(Other Measures) — Based on totals in each category.

Turnover Rate

Total circulation divided by total "all materials."
